Our specialty - Phở is a nutritious and healthy noodle soup that can be enjoyed any time of the day. The secret to our fragrant and aromatic Phở broth is the 14 hours slow simmering of beef shank with fresh roasted onions and ginger, and traditional herbs and spices such as cinnamon, star anise, coriander, fennel, tsaoko and cloves. This warm and fragrant broth is added to fresh rice noodles as order, topped with your choice of meat, garnished with fresh scallion, cilantro, and onion. This hearty soup is served with a side of bean sprouts, basil leaves, jalapeno and lime to be added to your taste. Of course, no Phở is complete without the final sauces - Hoisin and Sriracha. All the distinct and delicate flavors are simply irresistible!
